

OSCE SMM with civilians at Olenivka (OSCE SMM)

## FACTS MATTER

- Between 15 and 28 November, the SMM recorded 7,333 ceasefire violations compared with 7,839 in the previous two-week period.
- The Mission's freedom of movement was restricted 62 times, including 61 instances in non-government-controlled areas. Mission UAVs experienced signal interference, assessed as caused by probable jamming on 147 occasions, including 25 instances experienced by long-range UAVs, while flying on both sides of the contact line.
- The Mission continued to monitor the disengagement areas near Stanytsia Luhanska, Zolote and Petrivske. It again recorded ceasefire violations and spotted people inside the disengagement areas near Zolote and Petrivske.
- The SMM also continued to observe weapons in areas from which they should have been withdrawn in accordance with the Minsk agreements.
- The SMM corroborated reports of one civilian casualty in Donetsk Region, an 82-year-old man who sustained fatal injuries in government-controlled Pavlopil. This brings the total number of confirmed civilian casualties since the beginning of 2021 to 85 (16 fatalities and 69 injured).
- The Mission followed up on reports of damage to 29 civilian properties on both sides of the contact line in Donetsk and Luhansk regions. Overall since the beginning of 2021, the SMM has confirmed damage to 197 civilian objects and infrastructure sites.
- The Mission continued to monitor the situation of civilians, including at five entry-exit checkpoints and the corresponding checkpoints of the armed formations, of which two were open (one daily and the other only two days a week).
- The Mission also published a [thematic report](#) on restrictions to civilian freedom of movement at crossing points along the contact line and the impact of these restrictions.
- The SMM continued to facilitate the operation of the Donetsk Filtration Station and the pumping station near Vasylivka, providing water to 380,000 and 1.2 million civilians respectively, on both sides of the contact line.
- Since the beginning of the year, the Mission has facilitated and monitored windows of silence to enable repairs and maintenance of 94 public infrastructure sites on both sides of the contact line (59 in Donetsk region and 35 in Luhansk region), providing water, electricity, gas and communication services to over five million civilians.
- The SMM's daily reports are available in three languages (English, Ukrainian and Russian) on the OSCE website: [www.osce.org/ukraine-smm/reports](http://www.osce.org/ukraine-smm/reports).

## SPECIAL MONITORING MISSION TO UKRAINE

### Who we are

- Unarmed civilian monitors;
- Around 670 monitors across Ukraine;
- Around 505 based in the east;
- From 43 OSCE participating States.

### What we do

- Report the facts as we observe and establish them;
- Gather information and report on the security situation;
- Report on the humanitarian situation and people's needs, and facilitate the delivery of humanitarian aid of other organizations;
- Help to establish dialogue and local ceasefires.

### Important to understand:

- It is up to the sides to stop the fighting;
- We do not conduct investigations, but report on facts;
- We do not deliver but facilitate the delivery of humanitarian aid.
