

## **SUPPLEMENTARY HUMAN DIMENSION MEETING**

### **“HUMAN RIGHTS AND THE FIGHT AGAINST TERRORISM”**

**14 – 15 July 2005  
HOFBURG, VIENNA**

#### **GENERAL GUIDELINES**

The modalities for this meeting are set out in accordance with the decision of the Permanent Council (PC.DEC/476, as of 23 May 2002).

#### **I. AIM OF THE MEETING**

##### **OVERVIEW**

The main objective of this Supplementary Human Dimension Meeting is to discuss specific human rights at risk and challenges that the international community faces in the fight against terrorism.

OSCE commitments, such as the 2004 Sofia Ministerial Statement on Preventing and Combating Terrorism re-emphasize the determination of OSCE participating States to combat terrorism with "respect for the rule of law and in accordance with (their) obligations under international law, in particular human rights, refugee and humanitarian law". Counter-terrorism measures that fall outside the framework of the rule of law and human rights standards effectively roll back well-established norms and lay foundations for further insecurity.

The meeting will focus on the following three areas:

- Religious freedom and the fight against terrorism;
- Torture and the fight against terrorism; and
- The role of civil society and the fight against terrorism.

Recommendations may be addressed to the participating States, the OSCE as a whole, OSCE institutions including the Office for Democratic Institutions and Human Rights and its various Departments, as well as the OSCE field operations, or other inter-governmental or non-governmental organisations, as well as other civil society actors of the OSCE participating States.

## II. LANGUAGES

Translation will be provided in the six working languages of the OSCE.

## III. PARTICIPATION

Representatives of the OSCE participating States, OSCE institutions and OSCE field operations, representatives of international organizations and representatives of non-governmental organizations and other civil society actors will participate in the Meeting.

The 'partners for co-operation' and the 'Mediterranean partners for co-operation' are invited to attend and contribute with respect to their co-operation and links with the OSCE in the field.
