

Conclusions

of the First Regional Conference of the Presidents of the Supreme Courts and General Prosecutors on cooperation in criminal matters, held on 7-8 September 2010, in Becici, Montenegro

1. That the organization of the Regional Conference of the Presidents of Supreme Courts and General Prosecutors, should be proud of a very successful and very useful Conference in terms of exchange of experiences and in terms of defining concrete solutions in the provision of international legal assistance in criminal matters;
2. That the proposal of all participants of the Conference to conclude a Regional Agreement on provision of the international legal assistance in criminal matters was generally accepted;
3. That all participants of the Conference should identify a contact point for the implementation of these conclusions and inform the Administrative Office within the next three months;
4. That the participants at the Conference have agreed to continue with organisation of such conferences in the future, and that the candidate for the hosting of the next Conference should apply to the Administrative Office by the end of this year;
5. That the Office of the Cabinet of the President of the Supreme Court of Montenegro, as Administrative office, will perform all administrative tasks until the signing of a Regional Agreement.
