PROJECT BACKGROUND:

The project supports Ukraine in preventing and combating illicit trafficking in weapons, ammunition and explosives (WAE) addressing current and looming threats and risks.

The multi-year project intervention provides a comprehensive set of measures to strengthen capacities of the Ministry of Internal Affairs (MIA), the National Police (NPU), the State Border Guard Service (SBGS) and the State Customs Service (SCS) of Ukraine, in particular through:

- Enhancement of the supervisory capacities of the MIA in control of manufacture, marking and record-keeping of WAE;
- Enhancement of the operational capacities of the MIA and the NPU in forensics, analysis, detection, and investigation of illicit trafficking in WAE;
- Assistance in improvement of legislative mechanisms as well as raised public awareness on risks related to illegal possession, misuse and trafficking of WAE;
- Enhancement of inter-agency co-ordination and co-operation resulting in developing strategic approaches, data collection and analysis in preventing and combating illicit trafficking in WAE;
- Enhancement of the SBGS and the SCS capabilities to detect and seize WAE through train-and-equip programme as well as canine assistance.
