**INTERPRETATIVE STATEMENT UNDER PARAGRAPH 79  
(CHAPTER 6) OF THE FINAL RECOMMENDATIONS OF THE  
HELSINKI CONSULTATIONS**

By the Delegation of Turkey:

“Turkey wishes to make the following interpretative statement under paragraph 79 (Chapter 6) of the Final Recommendations of the Helsinki Consultations:

We have joined the consensus in order to make possible the adoption of this decision which establishes a new structure to provide assistance to participating States in combating trafficking in human beings. Combating trafficking in human beings is a priority for the OSCE and requires continuous follow-up at the political level. Established in response to this urgent need, the new structure is a *sui generis* institutional set-up whose effectiveness can only be tested by time and practice. Therefore, the structure can in no way constitute a precedent or establish a model for other possible new structures including ‘thematic missions’ without prior consultations and the elaboration of their conceptual and organizational framework as well as their mandates and functions.

Turkey requests that this statement be attached to the journal of the day.”
