

HATE MONITOR

SEPTEMBER 2023

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In September, Mostar's major cultural associations convened a meeting, placing strong emphasis on promoting social cohesion. The two associations, Prosvjeta and Preporod, who have a century-long tradition of preserving and promoting culture, came together to recognize their substantial impact on fostering local community cohesion, highlighting the importance of the local Community Cohesion Action Plan.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
