United States Mission to the OSCE
Annual Security Review Conference

Right of Reply to the Russian Federation

Delivered by Ambassador James S. Gilmore III
Vienna, June 23, 2020

Thank you, Mr. Chairman.

In reply to the Russian Federation, I must say I am puzzled. We were talking about the Russian Imperial Movement. We have previously provided information that this group has been doing training -- paramilitary style training, for white supremacists and neo-Nazis in Europe. So, this was really not intended to be an attack on the Russian Federation in any way. So I might ask my colleague to help me out of my puzzlement and I ask, is the Russian Federation speaking on behalf of the Russian Imperial Movement?

Thank you.
