

SIDE EVENTS BOOKING INSTRUCTIONS

Below please find step-by-step instructions on how to book a side event using ODIHR Conference and Event Registration System. The instructions include some print screens, which are intended to help users familiarize themselves with the graphic interface of the system. Please note that the information presented in the print screens is indicatory and might be subject to change.

GET READY FOR BOOKING

Please create your profile and register first for the meeting at: http://meetings.odihr.pl. This is a condition for booking a side event online. If you need help with the registration procedure, please consult the User Manual for Registration, available at https://www.osce.org/odihr/shdm_3_2022.

For users without a profile or who have not yet registered for the event:

1. After opening of the booking system you will only be able to view (by clicking the VIEW button) the status of side event rooms/times/slots (table with calendar), without the possibility to book.

2. If you would like to book a side event, please register first for the Supplementary Human Dimension Meeting (SHDM) at http://meetings.odihr.pl. The SHDM working sessions and side events will be conducted in an in-person format.

For registered users:

1. If you would like to book a side event, click the 'BOOK' button and see which timeslots are free (screenshot below);

BELOW, PLEASE CHOOSE THE DATE AND THE SIDE EVENT ROOM IN WHICH YOU WISH TO ORGANIZE YOUR SIDE EVENT and proceed with the booking form.

The side event booking is a four-step procedure.

STEP 1 - MAIN INFORMATION:

- 1. In the first section, (*Your Name, Your Surname, Your Organization Name, Your Organization Country see below*) the user's organization details are filled in automatically from your account. If you would like to change any details or add a co-organizer for your side event, you can do this in the "*Convenors name*" section.
- 2. Convenors name:
 - The name of the organization (of the person using the booking system) appears here automatically;
 - If you want to delete or add an organizer, please use the *DELETE* or *ADD* button;
 - In order to change the order of organizers, use a mouse (*drag and drop function*).
- 3. Person responsible for organizational details:

In this section, **please submit the contact details of the person who is responsible for the organization** of the side event and can be contacted by ODIHR or service providers <u>before and during</u> the conference.

4. Room details:

In this section, please **provide the number of expected participants** (preferred layout is not relevant for online events and can be left empty).

- 5. *Title of the event* should be provided in English. Please make it **short and appealing**, as this information will be visible in the "Side Events Schedule and Overview" document, to be published on the SHDM webpage. Please note, that side events are intended to be held on topics related to the topic of the SHDM and provide an opportunity to participants to discuss issues that were not fully covered during the working sessions.
- 6. Description of the event:

Please provide a short description of your side event, in English, no more than 2500 signs. This information will be available on the SHDM webpage in the "Side Events Schedule and Overview" document. Information on speakers/panelists at your side event may be added here.
